"Rabbi Zidni Ilma" My Lord, Increase me in Knowledge.

Year 2 Weekly Newsletter

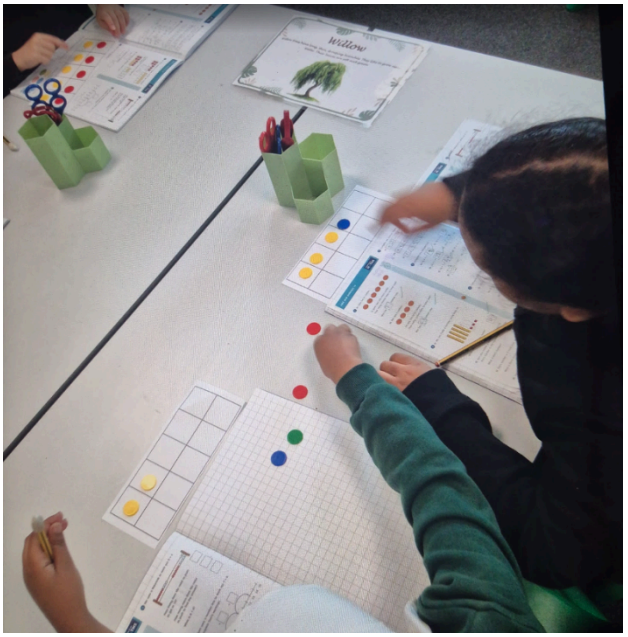
Week Beginning: 12.10.2026

Literacy: The Great Fire of London

In Literacy, we wrote a speech in role as Samuel Pepys, using imperative verbs to tell the King what he needed to do to help fight the fire. We also wrote a diary entry as an eyewitness, using the past tense, and created certificates to thank the brave people of London for their help and courage, giving reasons using because.

Maths: Addition and Subtraction

In Maths, we have been exploring number bonds to 100, adding by making 10 and adding three one-digit numbers. We have continued to practise addition and subtraction using ten frames and counters to help us.

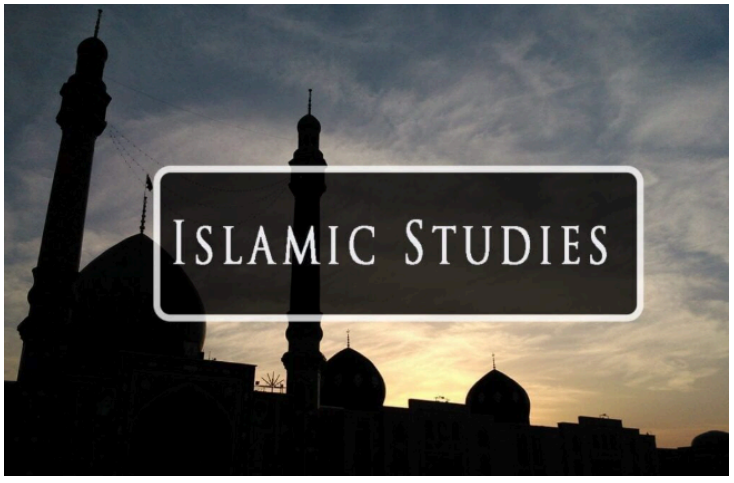


History: Great Fire of London

In History, we created booklets showing everything we have learnt about the Great Fire of London, including what happened before, during and after the fire.

Science: Animals including Humans

In Science, we learnt about healthy eating, the different food groups and how to keep our bodies healthy. We also tasted apples, bread and cheese, using our senses to describe what we could see, taste, touch and smell.



Islamic Studies

This week in Islamic studies as a part of our Fiqh section and continuing from last week, children learnt about wudhu. This week children covered practical Wudhu. They were taught the various steps of Wudhu and were shown the 4 main parts in which special care must be taken.

Phonics: '-ed and -ing'

In Phonics, we learnt about the suffixes -ed and -ing and the spelling rules we need to follow when adding them to words.

Art: LS Lowry

In Art, we finished our three-part cityscape collages, which we have been working on over the last three weeks. We are really proud of how they have turned out!

Computing: Technology Around Us

In Computing, we thought about what life might be like in 2050. We designed our own AI assistants and explained how they could help us in the future.
