"Rabbi Zidni Ilma" My Lord, Increase me in Knowledge.

Year 3 Weekly Newsletter

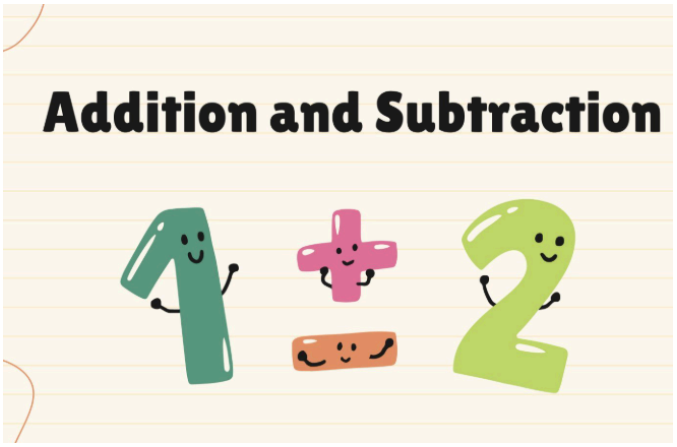
Week Beginning: 15.10.2026

Literacy: All about me

In Literacy, we have been focusing on exploring the thoughts and feelings of characters by using inference skills. We have also practised how to summarise and retrieve information. We also have looked into different blogs and what blogs are.

Maths: Addition and Subtraction

In Maths, we completed an assessment on place value to consolidate our understanding of numbers. We have now started our new topic on addition and subtraction, beginning with number bonds to 10 and moving on to adding and subtracting ones and tens.



History: Ancient Egypt

In History, we continued our topic on Ancient Egypt by learning about Egyptian gods and goddesses. We each chose one to research, created a detailed drawing, wrote a short description, and found some fun facts about who we chose.

Science: Animals including Human

This week in science we have been looking at how our muscles and bones work together. We looked at how our biceps and triceps work. We also investigated what tendons are.

Art: Autumn

In Art, we practised our observational drawing skills by studying a variety of leaves. We focused on size, colour, shape, and detail, using different sketching techniques to capture what we saw.

Things that break Wudhu

This week in Islamic studies as a part of our Fiqh section and connected with the previous lesson, children learnt about the acts of worship that require Wudhu. Connected to this, they learnt about how Wudhu breaks and the conditions that will break Wudhu. Children also learnt about certain actions that don't break Wudhu.

THIS WEEK'S STARS OF THE WEEK:

Star of the week: Aisha

Behaviour award: Hanan

PE Stars: Noor, Zahiyan and Yahya

We got our 10/10!

Masha Allah!
