"Rabbi Zidni Ilma" My Lord, Increase me in Knowledge.

Year 3 Weekly Newsletter

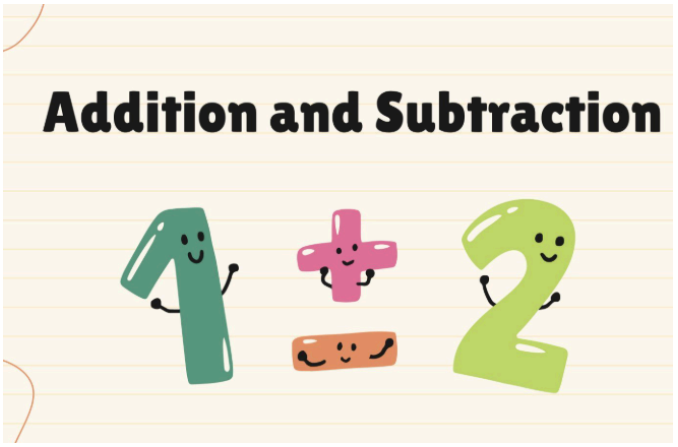
Week Beginning: 19.10.2026

Literacy: All About Me

This week in Literacy we have been planning and writing our own autobiographies. Children have written all about themselves and have even included illustrations within their autobiographies. Children have written about their talents and challenges and also about how their life was like as a baby. They have also talked about their life now. Safwan said that **'he likes year 3 as part of his life now!'**

Maths: Addition and Subtraction

In Maths, we have been focusing on subtraction — subtracting 1s across a 10 and 10s across a 100. We used dienes and 100 squares to help us understand how numbers change when we cross a ten or hundreds boundary.



Science: Animals including humans

This week in science pupils have finished their unit, animals including humans. This week pupils have completed a science assessment based on this topic to test their knowledge.

Islamic Studies

When Wudhu is necessary

This week in Islamic studies as a part of our Fiqh section, continuing with the importance of Wudhu, children learnt of the times when Wudhu is necessary. Children learnt that certain acts of worship cannot be accepted without Wudhu.

THIS WEEK'S

STAR OF THE WEEK:

Noor

Behaviour award: Aaliyah

PE Stars: Hassan and Isra

Masha Allah!

Year 3 Team Members: Ms Trivedi and Ms Natashah
